

Accountant – English Speaker (M/F)

Our client is a prestigious multinational company which is developing a Delivery Center that will provide services to several European countries.

With this objective our client pretends to add in its structure Junior Accountants who want the opportunity to join a Start-up Project with professional growth prospects.

Responsibilities:

- Transactional accounting (eg. in a A/P and Audit Accounting, account reconciliation's, journal entries);
- Intercompany Clearing (eg. journal entries, managing Clarification Server);
- Fixed Assets processing;
- Cash & Banks (eg. importing of Bank Statements, reconciliations);
- General Ledger Accounting;
- Monthly, Quarterly and year-end Closing Activities;
- Keep abreast with changes of internal guidelines, especially our client's Financial Reporting Guidelines;
- Ad-hoc duties that may be assigned from time to time.

Profile:

- Candidates must be 1 to 5 years of experience in this area;
- Degree in Accounting or Finance;
- Proven accounting skills;
- Fluent in English (mandatory);
- Fluent in French, Italian, Spanish or German (preferable);
- Solid knowledge of MS Office;
- SAP experience (preferable);
- Learning ability and focus on results;
- Motivation and ambition.
